

300w folding photovoltaic panel

What is included in a 100W solar panel kit?

The included 100W Solar Panels (2 options available) are not only sleek in size and weight, but are made of high efficiency monocrystalline solar cells. For convenience, this kit also consists of four sets of mounting Z-Brackets, one 20ft 10AWG MC4 Adaptor Kit, one 8ft 8AWG Tray Cable, fusing components for your controller and battery.

What is included in a portable solar panel kit?

Portable Solar Panel Kit Includes: Alligator clip for RV/CAR, and LIFEPO4, LITHIUM, AGM, LA, GEL batteries. This portable solar panel is versatile. Whether you go RVing, boating, camping or fishing, this solar panel can be a reliable partner and provide energy for your power station and electronic devices.

Are portable solar panels waterproof?

The portable solar panel is not a device to store electrical energy. It is only used to convert sunlight directly into electricity and output it to your electronic devices immediately! The surface of the solar panel is waterproof while the junction box is not waterproof.
