We had an incredible time at the McMillan Woods Global Members" Meeting on May 18, 2024, in Dubai. The event was a fantastic co-branding opportunity for Adam Global and our Members. It was inspiring to network and gain insights from top global business professionals and industry leaders from around the world.

Afghanistan and Pakistan are the two remaining countries with endemic wild poliovirus type 1 (WPV1) transmission ().During 2019-2020, these countries reported their highest numbers of WPV1 cases since 2014 and experienced outbreaks of type 2 circulating vaccine-derived poliovirus (cVDPV2) (2-4).* In Afghanistan, the number of WPV1 cases nearly doubled, from ...

We are Adam Smith International, a global advisory company that works locally to transform lives by making economies stronger, societies more stable, and governments more effective. We work on behalf of governments, foundations and companies that share our ambition to take on the big challenges facing the world.

Hoy día, la humanidad enfrenta dos retos fundamentales: la contaminación de los ecosistemas y el calentamiento global. En esta obra se abordan, mediante amplias explicaciones y complementos gráficos, los tipos de contaminación y ...

The withdrawal from Afghanistan has stung the egos of the US elite. But Afghanistan had long ceased to be a decisive battlefield. The exit from Afghanistan is significant not because it tells us much about the global ...
