

Why is Moldova imposing a state of emergency?

More than half the world's population sees AP journalism every day. Moldova's parliament has voted in favor of imposing a state of emergency in the energy sector over fears that Russia could leave the European Union candidate country without sufficient natural gas supplies this winter.

How many local authorities are there in Moldova?

In total, there are 931 local authorities in Moldova. Local governments are responsible for delivering a range of key public services. Local responsibilities are outlined in the Law on Local Public Finance and differ depending on the status and level of local authority.

Could Moscow deliberately weaponize energy flows to destabilize Moldova?

Moldovan Prime Minister Dorin Recean said his country faces an "exceptional situation" in which Moscow could deliberately weaponize energy flows to destabilize the country, and potentially leave people "in the middle of winter without heat and electricity."

Does Moldova recognize privatization?

Moldova doesn't recognize the privatization. In late 2022, Moldova suffered major power outages following Russian strikes on neighboring Ukraine, which is interconnected to the Kuciurgan plant. "This must be the last winter in the country's history in which we can still be threatened with energy," Recean said.

Who is the current Prime Minister of Moldova?

The Alliance for European Integration III became the ruling coalition in Moldova in July 2015 after a vote of no confidence in the previous government and the Prime Minister. The current Prime Minister is Pavel Filip. The main laws and decrees regulating the distribution of powers and the budget processes of the various administrative levels are:

What are the principles of Public Administration in Moldova?

According to the Constitution (Art. 109) of the Republic of Moldova, public administration at the level of administrative/territorial units is based on the principles of local autonomy, decentralization of public services, and consultation with local citizens on matters of local interest.

powers under Moldova's parliamentary system. In the July 2021 snap parliamentary elections, PAS won 53% of the vote and 63 of 101 seats. A Socialist-led bloc ... opening accession negotiations with Moldova, would need approval from all 27 EU member states. The process of joining the EU can take many years, and EU membership
