

Does living in Argentina Change Your Life?

Argentina is not for people that like the trains to run on time, the electricity lines to always provide power. And it's not for people who can't deal with bureaucracy on a daily basis. But for those that persevere, living in Argentina (if only for a short while) is a rewarding experience, that might change your life. It changed mine.

Why was Argentina a powerless country?

Argentina had essentially locked itself into a currency regime that gave it no flexibility, by fixing the peso at parity with the dollar. That, coupled with the government's habitual overspending, had exposed it to the ups and downs of the US economy, and left it powerless when a run on Argentina's banks ensued in 2001.

Why is Argentina focusing on agriculture?

To help President Milei's government achieve this, research firm Consensus Economics says the administration is focusing on Argentina's vast agricultural exports of grain, soya, meat and wine.

Is Argentina a good place to live?

Travelling and living overseas for over 20 years. Avoiding office politics since ages ago. A work in progress. Argentina has a lot to offer. Despite the financial problems, it's a great place for expats and digital nomads. Here's your Guide to Living in Argentina.

What are the cons and disadvantages of life in Argentina?

The (brief) cons and disadvantages of life in Argentina Argentina is far from everywhere. Travel from Europe or the US takes 12 hours or more by air. Bus journeys internally and around the rest of South America are always long. The problems with inflation and government instability affect everyone.

Will Argentines give Milei the benefit of the doubt?

At least for now, most Argentines seem willing to give Milei the benefit of the doubt. "It was difficult to vote for him at first...but I see that more and more Argentines are realizing every day that his plans are working," said Flor Maffia, a retired school teacher. "There's a new wind (of hope) in Argentina."
