

# Aruba keheng battery

What kind of batteries does keheng offer?

Keheng owns the battery cell factory, we can provide different materials of battery cell, Lifepo4(3.2v), NMC(3.6v-3.7v), LTO(2.3v), Sodium ion(3v), capacity from 1.2ah to 320ah, different shapes, cylindrical lithium battery and prismatic lithium battery. Customized 18650 battery packs

Who is keheng battery & pack manufacturer?

Get a Quick Quote Keheng is a professional lithium battery cell & pack manufacturer which uses different battery technologies ( NMC, LTO, LFP, Sodium Ion). Our engineers team can provide the most cost-effective battery solution with 15 years' project experience in different battery material technology.

What makes keheng a good lithium battery manufacturer?

As a lithium battery manufacturer with 15 years' experience, Keheng has mastered the core technology of developing lithium battery that address global market's various demands. To help your product stand out in the market, we have an expansive options of customization, including features, appearance, and packaging. Tailor Your Batteries Now !

Who is keheng new energy technology?

Keheng New Energy Technology Keheng New Energy Technology (shenzhen) Co., Ltd., Experts in Manufacturing and Exporting Lithium Battery Cell, Lifepo4 Battery and 0 more Products.

Who is keheng battery?

Keheng is a leading custom lithium battery manufacturer, which specializes in offering customers a variety of customized battery solutions (OEM), and we can provide battery pack components in all chemistry. Our premier engineers' team can help take any project from concept to realization. Since 2008, Keheng Battery team has focused on aerospace

Why should you choose keheng for your lithium ion battery pack?

With 85% of our lithium ion battery pack production processes automated using advanced machinery, and a workforce team that 70% have been with us for over five years, you can trust Keheng to handle your limitless lithium battery with utmost precision and care. Our commitment to quality is evident at every stage.
