You can feel the positive energy, whether we are working together in person, or connecting with our colleagues across Europe on Teams. Fortunately we have phone booths for when you need a bit more silence around you.

An operational solar project in Poland, one of five markets that Aukera Energy will initially focus on. Image: R.Power. Investment company AtlasInvest has backed a new renewables development ...

Book your Faroe Islands accommodation before you book anything else. My quick search for available accommodations on the Faroe Islands was very eye-opening. With just a handful of hotels, a few B& B's, and several private rentals, Faroe Islands had a grand total of 74 properties for us to choose from.
