At Fitch Solutions, we believe economic growth in Azerbaijan will come in at 2.9% and 3.0% in 2020 and 2021 respectively, up slightly from an estimated 2.8% outturn in 2019. Real GDP growth will remain mainly driven by domestic demand over the coming quarters, rather than energy exports as has typically been the case for the country.

At Ideal Power, we specialise in providing comprehensive power supply solutions tailored to meet the extensive needs of the electronics sector. Our commitment is to support businesses in specifying, sourcing, and supplying a complete range of power supply products, backed by our expertise, commitment to quality, and reliable global distribution.
