

Who makes specialized batteries in Myanmar?

(PTIC) is one of the leading firms in Myanmar that manufacture a number of high-tech industrial products. These include lead acid automobile batteries, industrial stand-by batteries and other various types of specialized batteries. Among them, many of the specialized types include locomotive batteries and forklift batteries.

Does Myanmar have a battery market?

Myanmar's battery market depends majorly on automotive application segment. With the COVID-19 pandemic in 2020, the market witnessed a significant decrease in sales. According to the Automotive Association of Myanmar, in 2019, new vehicle sales amounted to 21,916 vehicles, with an increase of about 25% compared to 2018 (sales of 17,524 vehicles).

Will lithium-ion battery market grow in Myanmar?

The automotive segment is expected to witness significant growth during the forecast period, owing to the increasing demand for new vehicles produced in the country. Potential growth of lithium-ion batteries in electric vehicle (EV) market is expected to create immense opportunities for the Myanmar battery market in the coming years.

Who are the major players in Myanmar battery market?

The Myanmar battery market is consolidated. Some of the major players include Siam GS Battery Myanmar Limited, Schneider Electric SE, Toyo Battery Myanmar Co. Ltd, and Panasonic Corporation. Myanmar fourth mobile operator Mytel, in August 2019, announced the launch of its first 5G network in Myanmar.

Falcon Electric's extended battery banks provide extra battery runtimes from minutes to hours with our SSG and SSG-RP online industrial UPS systems. The rackmount banks are easily daisy-chained with DC plug-and-play connectors. Simply determine your application requirements and select one of these battery bank options.

Within this period, in Aug 2021 alone, Myanmar imported 1 Battery Bank shipments. This marks a year-on-year growth of -50% compared to Aug 2020, and a 1% sequential increase from Jul 2021. Myanmar imports most of its Battery Bank from India. Globally, the top three importers of Battery Bank are India, Peru, and Vietnam. India leads the world in ...
