

Bess management Curaçao

Who is putting a Bess order in Curacao?

The order was placed by Aqualectra, Curacao's government owned utilities company, and will be booked by Wärtilä; in Q2, 2024. The BESS and the GEMS Digital Energy Platform will provide grid stability and reliability, reduce unserved energy and help mitigate the risk of brownouts and blackouts.

What is the Bess & gems Digital Energy Platform?

The BESS and the GEMS Digital Energy Platform will provide grid stability and reliability, reduce unserved energy and help mitigate the risk of brownouts and blackouts. In addition, the BESS system will allow Aqualectra to expand their renewables' vision thus allowing more renewable generation in the power system.

What will Aqualectra's Bess system do?

In addition, the BESS system will allow Aqualectra to expand their renewables' vision thus allowing more renewable generation in the power system. The BESS system will also help smooth the intermittency of renewables.
