Who owns Efacec Power Solutions?

In October 2015, the company Winterfell Industries acquired the majority of the capital of Efacec Power Solutions. The former shareholders - Jos#233; de Mello and T#234;til Manuel Gon#231;alves Groups - now hold a minority position in the company's capital and new Governing Bodies were elected. 2020 was a year of shareholder change for Efacec.

Why did Efacec change its name to EPs?

On August 14, 2014, we changed our name to Efacec Power Solutions, SA. (EPS). The constitution of EPS was part of the restructuring process that Efacec Capital, SGPS, S.A. started at the end of 2013, intending to align the corporate structure of the Efacec Group with the market segments addressed and the target geographies.

What makes EFACEC a good company?

Efacec is a company with a strong and sustained positioning on the international market and a commitment to continuously innovating and investing in new technologies development. This is achieved with a team of highly motivated and qualified employees.

How important is Efacec?

On August 12, 2023, we celebrate the 75th anniversary of Efacec, a historic milestone that reinforces the strategic importance of a unique company in Portugal operating in sectors that structure society as a whole and of recognized importance in all the world geographies where it operates.

What makes Efacec unique?

Efacec's history is marked by knowledge and experience applied to technological innovation and our origin, with more than 100 years of history, dating back to the foundation, in 1905, of "A Moderna" Mechanical Sawmill Society.
