The William Thornton Floating Bar & Restaurant, affectionately known as Willy T's, is a legendary Caribbean bar that rides afloat a rather convincing pirate ship - loaded with grog and grub. Revellers wishing to eat, drink and be merry can find it bobbing in The Bight anchorage at Norman Island in the British Virgin Islands. Here's everything you need to know ...

As of 2022, the electricity consumption in the British Virgin Islands is heavily reliant on fossil fuels, with 100% of its electricity being generated from these sources. This complete dependency on fossil energy means that there is currently no contribution from clean energy sources such as nuclear, wind, or solar. Reliance on fossil fuels not only contributes to climate change ...
