Can a builder install a kitchen in Portugal?

Kitchens in Portugal will liaise with your builder or architect to make sure they have the total connected electrical loads for all appliances. My builder tells me he is able to install the kitchen? We do not offer a supply-only arrangement.

How much does a kitchen cost in Portugal?

There really isn't a 'typical' cost for a kitchen. Most of the cost depends completely on the style of kitchen you choose, what is included in the design and layout and where in Portugal you live. However, we will work to your budget wherever possible, advising you and guiding you on products, styles and cost options.
