What is a Foot Locker?

Foot locker? Obviously, if it were at the head of the bed, it would be a head locker. Definitely a hope chest. I'd go with either cedar chest or foot locker. I'm thinking you want a place to sit while getting on your socks and shoes. The bed is usually too high for this so many people have a bench or chair at the foot of their bed.

Where should a bed be stored?

And, of course, it's quite a functional storage place at the foot of the bed. A flat modern bench is another common choice. It's a great place to sit down while you're putting on your socks and shoes in the morning. A more traditional seating option at the end of the bed would be a bench with a back to it.

How do you organize a bed?

Situate a simple bench at the end of the bed for folded linens and blankets, place a canvas bucket on the floor for slippers, and arrange a small basket on the end of the bench for everyday odds and ends. By incorporating several drop zones, you can organize strategically instead of spontaneously.

What to do at the end of a bed?

The third idea for the end of your bed is to create a seating arrangement with a couple of chairs and a side or coffee table. I have to admit, this look isn't necessarily my favorite, but I think it's all about the execution. Most of the time when I see chairs at the foot of the bed, it usually makes the bed look clunky and cluttered.

How do you store furniture at the foot of a bed?

A storage chest is an obvious choice for a piece of furniture at the foot of the bed. It can store extra linens or favorite items that don't have another place. It also works as a seat when someone wants to have a conversation without getting into the bed. A traditional trunk is another option that is a great choice.

How do I choose a storage trunk for my Bed?

You don't want it to be overwhelming and take away from your bed, so choosing a storage trunk that is shorter than the top of the mattress and one that is about 2/3 of the width of your bed is your best bet.
