Does Canadian Solar have a good battery warranty?

The EP Cube has an excellent battery warranty, with 80% capacity retention after 10 years or 6,000 cycles, whichever comes first. The EP Cube has solid operating features, a great warranty, and is being offered by a trusted company. Canadian Solar has two versions of its battery system: the EP Cube and the EP Cube light.

What kind of battery does a Canadian Solar EP Cube use?

Plus, the EP Cube is a lithium iron phosphate battery, which means the battery is safer and will last longer than other types of lithium-ion batteries. It can also be integrated with a gas-powered generator for an added layer of backup protection. Canadian Solar is offering an excellent warranty for its battery system.

Is Canadian Solar a good brand?

Canadian Solar has been a trusted name in solar panels for over two decades. We like them so much that we even put them on our top 10 solar panel brands list. The brand's energy storage offering, the EP Cube, is just as impressive, landing the number three spot in our best solar batteries of 2024 ranking.
