"He added that only 3% of the Cayman Islands ...

The 67.2-carat brilliant-cut diamond, so aptly named The Aten by Sotheby's, is the largest of its type in the world. A round stone with the colour classification of Fancy Vivid yellow graded by GIA, it has a solar presence that brings to mind the Aten, a briefly venerated God of ancient Egypt who was said to have brought the life-giving force of light to the world.
