

As well as working with the likes of the International Renewable Energy Agency (IRENA) and on microgrid initiatives in India and creating World Energy Storage Day (22 September) to raise awareness, last year GESA took its workshops directly to policy makers in the key territories of China, the US and India to promote the technologies and their role in ...

In accordance with the Rules of Practice and Procedure of the California Public Utilities Commission (Commission), the California Energy Storage Alliance (CESA) hereby submits these reply comments on the Track 3B.1 and 4 Proposals, submitted by the Commission Energy Division staff and parties on January 28, 2021.

The California Energy Storage Alliance ("CESA") appreciates the opportunity to comment on the Midterm Reliability Analysis on Incremental Efficiency Improvements to Natural Gas Power Plants Workshop held on August 30, 2021. CESA recognizes the leadership of the California Energy

D.17-04-039 for stand-alone storage resources to hybrid resources. However, the Decision determines that these rules should not be applied to co-located resources primarily because the CAISO meters are configured differently for these resources. On November 15, 2023, the California Energy Storage Alliance (CESA)

Andy Colthorpe spoke with Janice Lin of the California Energy Storage Alliance on what sort of role energy storage will play in reaching the "100% carbon-free retail electricity" goal of the state's SB100 legislation. This is Part 2 of a feature interview originally included in Solar Media's quarterly journal PV Tech Power.

On a related note, a recent Guest Blog for this site by Alex Morris, executive director of the California Energy Storage Alliance (CESA), looked at how the state can continue scaling its clean energy efforts upwards, reporting back from the group's annual convening of CESA members, policy makers, regulators, environmental advocates, utilities ...

Andy Colthorpe spoke with Janice Lin of the California Energy Storage Alliance on what sort of role energy storage will play in reaching the "100% carbon-free retail electricity" goal of the state's SB100 legislation. Part 1, with the second half to follow later this week on Energy-Storage.news.

Back in 2016, I was serving as founder and executive director of the California Energy Storage Alliance (CESA). CESA is membership-based trade association and advocacy group that has helped build ...

More than a tenth of a 250MW energy storage procurement by utility Southern California Edison will comprise of Ice Energy's Ice Bear units, deployed in partnership with NRG Energy. Southern California

Cesa california energy storage alliance French Southern Territories

Edison's (SCE) choice to procure the energy storage was made in 2014, described at the time by California Energy Storage Alliance (CESA) ...

RESPONSE OF THE CALIFORNIA ENERGY STORAGE ALLIANCE TO SOUTHERN CALIFORNIA EDISON COMPANY'S AND PACIFIC GAS AND ELECTRIC COMPANY'S JOINT EXPEDITED PETITION FOR MODIFICATION OF DECISION 21-06-035 CALIFORNIA ENERGY September 8, 2023
Rachel McMahon Vice President, Policy STORAGE ALLIANCE 808 R ...

Organization: California Energy Storage Alliance (CESA) Submitter Role: Public Submission Date: 12/20/2022 4:42:59 PM Docketed Date: 12/20/2022 . Comment Received From: California Energy Storage Alliance (CESA) Submitted On: 12/20/2022 Docket Number: 21 -DR -01 CESA's Comments on CEC DR QC Report ...

The California Energy Storage Alliance (CESA) is a 501c(6) membership-based advocacy group committed to advancing the role of energy storage in the electric power sector through policy development, education, outreach, and research. CESA's mission is to make energy storage a mainstream resource to advance a more affordable, efficient ...

Even by that earlier date, the need for long-duration energy storage to complement the growth of shorter-duration lithium-ion battery storage of up to four hours" storage and discharge to help integrate the growing shares of solar and wind onto the grid may have been underestimated, experts from the California Energy Storage Alliance (CESA) ...

The Clean Energy States Alliance is a national, nonprofit coalition of public agencies and organizations working together to advance clean energy. CESA works with state leaders, federal agencies, industry representatives, and other stakeholders to develop clean energy programs and inclusive renewable energy markets. CESA members--mostly state ...
