

Ceto transit gate energy sphere dispenser Guinea-Bissau

Is there a secure container at Ceto TG?

Hi Pilots, I'm confused with one of the secure containers at the Ceto TG. When you enter Union through the gate there are two massive asteroids on your left. The first one has a small base in it which contains a secure container and an energy sphere socket.

Where is Ceto transit gate?

Ceto Transit Gate is a site in the EMP Fields region of the Union system in Everspace 2. This location is the first Union location visited - it has several G&B structures including cargo transit processing, and has a Jump Gate to the Ceto system. Okkar patrols are present here. Located inside a radiation filled asteroid on the 'bottom' of the map.

Where is the second energy sphere dispenser?

There is a second energy sphere dispenser located near those energy sockets. It's hidden in a literal hole in the ground right next to one of the sockets. How the hell did you even find this Post after 11 Months? XD Man, if two months freaked you out, this is gonna blow your mind. Yea if 11 months freaked you out, I'm with CitizenKing.

Located in base segment adjacent to puzzle 3, shoot Heat Sphere down pipe to access. Contains a Mainframe Expansion. 5-6 Secure Containers Located on gate interior, shoot buttons behind destructible panel, and bring Energy Sphere down pipe to access. Energy Sphere Dispenser on far end of pipe, behind debris, in another pipe. 7 Bulletproof Container

Noah Damaris Starport is a site in the Zharkov Supply Route region of the Union system in Everspace 2. This location consists of a large station in orbit around Damaris. The station itself is a large ring with a central circular structure around a the middle of a central vertical rod/antennae. There are several spokes going out of the ring horizontally, three of which have landing ...

Located in the back side of an asteroid, somewhat close to the jump gate. 2: Secured Container: Located in same location as puzzle 1, Energy Sphere Dispenser on other side of same asteroid. 3: Bulletproof Container: Located in ...

Travel back to the Union Bridge location where you can enter the Ceto Transit Gate. Once you're out on the other side, you'll have a new companion, the HIVE unit. The Autonomous Cargo Dispatcher is a useful upgrade if your inventory often gets too full. Now continue on over to Prescott Starbase where a man named Maddocks should be.

Ceto is the starting system of Everspace 2. Adam Roslin was working as a wingman for G& B with Corben

"Ben" Grendal, and where he met his first two companions Dax Bashar and Dr. Delia Wendo, as well as recovering a HIVE unit. Ceto is home to a large G& B presence, focusing on mining Aetheum crystals, which appear to be abundant in this system. There is also a ...

Emp Fields - Torn Station - Find The Hidden Stash Emp Fields - Volta Nebula ... Especially Energy Orbs and Nanotechnology. As for personal perks I recommend those Close Call - Safty net if something goes wrong Play it Safe - damage negation ...

Energy Situation and Priorities 1. Guinea-Bissau has a dual energy economy based on domestic wood-fuels and imported oil. About 90% of total energy consumption is accounted for by firewood and charcoal, which are used in almost all households for cooking as well as in traditional rural, commercial and artisanal activities.

The research focuses on the leadership process that has enabled the emergence of a youth-led resistance movement in Bissau. It finds that, in the case of Guinea-Bissau, social media acts as an ...

Ceto Orbit is a site in the "Deep Fields" region of the Ceto system in Everspace 2 in close orbit around the star. It consists of a very large asteroid, anchored to which is a colonial solar research station, with a few other smaller asteroid clusters & rock formations nearby. There is a small Outlaw presence in this area, near the asteroid clusters. Some Hydra Anemone can be found ...

Zharkov Border Control is a site in the Zharkov Border region of the Union system in Everspace 2. This location consists of transport & shipping stations, a few asteroids, and the official but inaccessible Jump Gate to Zharkov. Cartwright's Wake has the accessible jump gate. Okkar are present but it is not a protected area by their patrols. Three side missions have a role to play in ...

Ceto Transit Gate is a site in the EMP Fields region of the Union system in Everspace 2. This location is the first Union location visited - it has several G& B structures including cargo transit processing, and has a Jump Gate to the ...

As the abandoned HIVE unit is still a bit wonky, you'll need to hack the gate. Follow the mission marker to the right side of the gate where a terminal is. Interacting with this will hack it and trigger another cutscene. After some time, a mysterious ship will show up and stun both Dax and the gate.

This requires going to an Energy Sphere Dispenser, getting an energy sphere from it, and bringing it to an Energy Socket. Both the dispenser and socket have markers on your HUD once you're near them. While this isn't required for The Edge of the Universe, it's worth doing since you'll find other opportunities for loot like this. Once ...

Located in a large floating structure, on the opposite side retrieve an Energy Sphere. Place it in the pipe above and shoot the red buttons to open the pipe sections for the sphere to reach the power socket. 2: Secured Container: Co ...

Ayres Relay Station is a site in the Ceto Supply Route region of the Union system in Everspace 2. This location consists of a trading station and a few destroyed station modules in orbit around Ayres. ... Power Core, & Energy Sphere puzzles. Contains a Mainframe Component. 3: Secured Container: Co-located with puzzle 2. 4: Bulletproof Container ...

I had a bit of trouble with this too. When you pick up the sphere, start flying to the left side of the tower (it has the sphere energy dispenser) and boost until you can reach the activator switch. ...
