Is Belleli Energy CPE certified?

As a result, Belleli Energy CPE is qualified and certified as an ASME N Stamp Holder. The Belleli Energy CPE Quality Management System complies with the ISO - 9001 Standard, ASME Code Section VIII Div.1 & VIII Div.2 and also satisfies the European Pressure Equipment Directive 97/23/EC, Chinese and Russian Regulations.

Why should you choose Belleli Energy CPE?

Vast spaces, large production plants and favorable conditions for international transport, allow Belleli to satisfy all kind of requests for the construction of sophisticated process equipment of any weight and size. Belleli Energy CPE is equipped with a private dock of 120 m x 1200 m, served by a barge with a rated load capacity of 1,500 tons.

Who is Belleli Energy?

In over 70 years of activity in the world market, Belleli has created and consolidated its reputation as a supplier of high quality products and services. In the 1970s it introduced the first Quality System for nuclear manufacturing. Belleli Energy CPE is now an ASME Nuclear Stamp Certificate holder.

Why should you choose Belleli Energy?

Belleli Energy is always committed to developing a culture of safety to ensure workers' health. Quality is the essence of our work. The company policy guarantees the continuous improvement of quality standards to meet the needs of high technology in the design and manufacture of critical process equipment.

Why is Belleli Energy a value provider?

This significant contribution, as a value provider of the AMW Consortium in the frame of a contract with the European Agency Fusion For Energy, has endowed Belleli Energy with a remarkable legacy of quality, engineering, and manufacturing skills. These nuclear components are among the most complex mechanical equipment ever fabricated.

Why did Belleli build a crane system?

Due to the increasingly high dimensions of the products and worldwide demand, Belleli's engineers designed and built a crane system to load river barges, becoming able to ship heavier equipment from Mincio/Po river to Porto Marghera international seaport.

Con oltre 60 anni di esperienza nell'ambito della progettazione e produzione di componentistica industriale, il dipartimento di Ingegneria Belleli Energy CPE è pienamente qualificato per sviluppare l'ingegneria e la progettazione delle attrezzature piú;
