What has to be grasped here is Christmas Island's incredible isolation from those who governed it: first of all the British, secondly the Commonwealth of Australia. Yet when sovereignty was transferred from Great Britain to Australia in 1958, it was Christmas Island's proximity to other islands of concern that also prompted its

We work with renewable energy production, management of waste residues and water treatment solutions, helping islands to reach carbon neutrality. With over 20 years of experience, Island Power Solutions is a specialized company of ...

Christmas Island Bonefishing. Kyle Siler with bonefish during hosted week. Christmas Island Bonefish: The Island has earned global recognition for its abundant bonefish population, the presence of giant trevally, and seemingly endless clear waters with a white sand bottom. These factors, combined with the unique sand and coral flats, enhance visibility and make spotting ...

("PSI") (OTC Pink: PSIX), a leader in the design, engineering and manufacture of emissions-certified, alternative-fuel power systems, will partner with TICO Manufacturing to display a UPS terminal tractor powered by PSI's 8.8-liter on-road propane engine in Booth ...

Christmas Island's proximity to Indonesia meant that boats carrying asylum seekers began landing on the island from the late 1980s. The island was the site of the 2001 Tampa affair, when the Australian Government stopped a Norwegian vessel, the MV Tampa, from entering Australian waters to unload 438 rescued asylum seekers on Christmas Island.

Island Power produces green hydrogen from clean energy and water. We work with solutions for either injection in the natural gas pipelines, or as green ammonia, for usage in agriculture and chemical areas.

The Territory of Christmas Island is an Australian external territory in the Indian Ocean comprising the island of the same name. It is located approximately 350 kilometres (190 nautical miles) south of Java and Sumatra and about 1,550 km (840 nmi) north-west of the closest point on the Australian mainland. With an area of 135 square kilometres (52 sq mi), [8] Christmas Island's ...
