Allegro's ClearPower DC/DC regulators offer industry-leading, Grade 1, 125°C temperature operation, with robustness and extensive protection and diagnostic functions. The ClearPower DC/DC converters possess an added benefit that incorporates EMI filtering in the device to enable an easier and faster path to EMC for the strictest requirements.

Clear Power Solutions Inc is a privately held corporation. We specialize in DC power solutions for RVs, boats, cottages and more, as well as complete solar energy systems. We also have the knowledge and equipment to build and rebuild battery packs. We also have a full range of telecom power and solar services.

Safe, Comfortable Charging Anytime. At ClearPower, we prioritize safety and comfort, creating a secure indoor charging environment that stands apart from traditional outdoor stations. Unlike other stations, where long queues under the hot sun and minimal security can be a concern, our facilities provides 24/7 security and protection against theft and vandalism.
