I have went about 2 in game weeks and cleared everything in an area and nothing, I have also seen that moving the anchor will spawn it in the next day but I have tried that a few times and it doesn't seem to have helped either, any tips or tricks I can use to get it? I am still in the starting area underwater. Thanks for the tips!

Hey all! I've been having great fun testing CI and submitting bug reports to help out the devs, but this one's been something I've seen other people aren't having and I want help figuring out the process I went through that triggered it. Long story short, I'm in late fall (grabbed cows late this time) and just handed over bronze milk to the last turtle to access solar orb ...

Solar fragment is a resource found in the ocean used for crafting. Solar fragments can be collected by clearing trash piles with a scythe and breaking underwater rocks with a pickaxe. Solar fragment is a daily loot item from the Cave of Memories. No altar needs solar fragment. There are no quests item that currently need this item.

I got to the point in the ocean quest where I'm meant to activate 20 solar orbs. I already activated 9, but I can't find any more. I cleaned the whole available area a few times, I reset the anchor twice, and still nothing. I can see the inactive pillar, but the solar orb is missing. I really don't want to start my game again because I got quite far.

Loom is a type of artisan equipment that can produces cloth and yarn from different barn animal products. Loom can be crafted after the player reaches level 6 in their Ranching mastery. Once crafted, a loom can be placed anywhere on the farm and loaded with raw cotton or wool to produce cloth and yarn. The resulting product depends on the input item used and its quality.

The machines resume working when you reload the game, so the best workaround (until the devs fix it) is to go back to main screen first thing on every morning. Picking up the machine and putting it back works also, but is only practical for machines not ...

1. You can't get eggs that spawn near the entrance of the coop. it seems like the location of exit point (event exit) became too big, previously this was not an issue 2. When letting cows go outside, they get stuck at the entrance and you won't be able to let them in as well. 3. When exiting greenhouse you will fall into the void (out of screen/map) and get teleported at ...
