This was my thought process when my wife Tsvetelina and I founded CPower in 2015 after breaking away from our previous project, CWind, to form a company that prioritises quality over quantity. Starting from our kitchen table, we grew CPower by focusing on the manpower market, recruiting offshore workforces, and deploying them to the right ...

Over the last two decades, CPower helped hundreds of organizations like yours in Virginia earn significant revenue for helping the grid. To find out your organization's energy potential, fill out the form on this page and start the journey across the bridge to energy's future with CPower.
