

# Do I need to pay for damaging a photovoltaic panel

Does homeowners insurance cover solar panels?

Usually, homeowner's solar insurance packages cover all types of solar panels: monocrystalline, polycrystalline PV, or thin film solar panels. The insurance protects your solar rooftop against common risks, such as fire, hail, lightning, storm damage, or theft. The claim limit for solar panel coverage varies depending on the policy.

Are solar panels too expensive?

Read more: Find out how much solar panels cost. We've worked with the Royal Institute of Chartered Surveyors and surveyed more than 1,000 solar panel owners to give you costs by system size, house type and electricity production. Whether you feel that solar panels are 'too expensive' also depends on what you get in return.

Do you need commercial solar panel insurance?

Comprehensive commercial solar panel insurance protects the investment if a business owns the panels. When solar panels are leased, the responsibility for insurance typically falls on the panel owner. The next key point revolves around the heightened liability risks associated with commercial solar panel systems.

What happens if a storm damages a solar panel?

For instance, a homeowner in Cornwall faced £5,000 in repairs after a severe storm damaged their rooftop solar array. Their specialised solar insurance covered the full cost. Also, a Yorkshire farm had stolen ground-mounted solar panels, resulting in a £15,000 loss.

Will solar panels affect my home insurance?

Having solar panels may affect how much you pay for your home insurance. Your insurance provider will need to take into account the cost of replacing your solar panels if anything happens to them, as well as any value installing them has added to your home.

How much does solar panel home insurance cost?

The annual cost of solar panel home insurance ranges from £118 to £152, which seems reasonable compared to the potential risks. Once you decide to install solar panels, inform your home insurer. Solar panels contribute to rebuilding your home's value, so it's important to list them in the insurance coverage.
