

Ecuador solar system for sale

Company profile for installer Sunforce Ecuador - showing the company's contact details and types of installation undertaken. ENF Solar. Language: English; ... Solar System Installers. Sunforce. Sunforce Ecuador La Gran Vittoria Urbanización, Via salitre kl. 14.5, Guayaquil

As residential solar panels are generally rated between 330 watts and 400 watts these days, a 3 kilowatt (3,000 watt) solar system will require about 7-10 solar panels. A typical solar panel is around 1m x 1.7m, therefore a 3kW system will require about 12-17 m² of roof space, depending on the wattage of the panels.
