Is El Salvador a 'state of exception'?

Cristosal, the primary human rights organisation in the Central American country, has documented torture cases and more than 150 deaths in state custody since the government declared a 'state of exception' in 2022. Amnesty International (AI) warns El Salvador is experiencing the 'gradual replacement of gang violence with state violence'.

What is El Salvador's economy like?

The services sector and industry, including food processing and chemicals, also drive El Salvador's economy. After the Salvadorean general elections of 4 February, on 29 April the outgoing (lame duck) Legislative Assembly dominated by the ruling party, Nuevas Ideas (NI) approved a modification to Article 248 of the Constitution.

Is El Salvador replacing gang violence with state violence?

Amnesty International (AI) warns El Salvador is experiencing the 'gradual replacement of gang violence with state violence'. In a report published in December, AI accused the Salvadoran authorities of adopting 'a systematic policy of torture towards all those detained under the state of emergency on suspicion of being gang members'.

What is El Salvador's main source of income?

Remittances are a major source of the country's income, comprising nearly a quarter of its GDP. The services sector and industry, including food processing and chemicals, also drive El Salvador's economy.

Strange Adventures on Other Worlds, the Universe of the Future. The first wave of space exploration in the 20th century all but ground to a halt, the victim of national and ideological rivalries which had spent themselves, and of politicians who gutted the funding for special interests and pork barrel spending. But the universe still beckoned, and a generation ...

The Temple of the Vedic Planetarium is named as such because within its main dome it will house a 3-dimensional, moving model of the universe according to the Vedic scriptures. This explanation describes the planetary systems and all ...
