

Elevator photovoltaic panels wholesale factory direct sales

Who is wholesale solar warehouse?

Wholesale Solar Warehouse is family-owned and operated by Charles and Lori Bushin Richmond, VA. We believe in doing business the old fashioned way with honesty and integrity. We believe that solar should be affordable to all people not just to the wealthy. Wholesale Solar Warehouse is your trusted partner for all your DIY solar projects!

What is a wholesale solar panel kit?

Maxbo's wholesale solar panel kits are built with high-efficiency photovoltaic cells that capture more sunlight and convert it into electricity, even in less-than-ideal conditions. Our panels are constructed using robust materials that are designed to withstand harsh weather conditions, such as heavy snow, wind, and extreme temperatures.

Why should you buy wholesale solar panel kits from Maxbo?

One of the biggest advantages of purchasing wholesale solar panel kits from Maxbo is our factory-direct pricing model. Because we design, manufacture, and distribute our own products, we can eliminate the middlemen and pass the savings directly to our customers.
