

Eliiy power co ltd Kiribati

SECUREA Toyota Kakimoto "POWER iE 6 HYBRID" electricity storage systems of ELIIY Power were installed at SECUREA Toyota Kakimoto in Aichi Prefecture, a smart town that has introduced an electric power interchange between single-family homes through the supply of low voltage electricity.

At ELIIY Power's plants, all processes have been fully automated, with batteries being produced in a clean environment. When constructing the plant, we envisaged a pharmaceutical factory. Eliminating manual intervention prevents ...
