Is energy Pal a good solar power company?

The installation was flawless and we now enjoy no bills from our local power company. Energy Pal is the only company I would recommend for a solar power solution. My experience was wonderful Anton Donets and Kinson Tam were very informative and every question I had was answered. They both made me feel very confident of my decision.

EnergyPal Helps People Go Solar What we do now. Despite the accomplishments and impact, we knew that until the world is 100% powered by renewable energy, our mission is not complete.
