The power of Antigua and Barbuda's passport is rated quite well internationally. It is accepted worldwide - with over 150 destinations offering visa-free access to this passport. This means that Antigua's passport ranks pretty high on the global passport ranking spectrum, coming in at an impressive 29th globally.

We at Fitch Solutions expect that growth will remain robust in Antigua and Barbuda in 2023, fuelled by the continued normalisation of tourism. That said, we do forecast that growth will slow from an estimated 6.1% in 2022 to 5.1% in 2023, as some of the post-pandemic gains have been captured and inflation remains elevated. We expect
