

# Enertec power solutions Ireland

Who is Enertec Power Solutions Ltd?

We are delighted to announce that as of 1 November 2016, Enertec Power Solutions Ltd will become part of Helios Power Solutions Ltd (formerly Innovative Energies Ltd) in Auckland.

How many jobs will enerpower create in Ireland?

Plans to roll out 500MW of renewable energy in Ireland in the next five years, enough to power the city of Dublin, is a notable increase on the more than 110MW of renewable energy that Enerpower has installed and maintained across the country to date. The two companies have said that the roll-out will create 100 new jobs at Enerpower.

Why should I work with enerpower?

**ADVANTAGES** Why work with Enerpower? With over 19 years of industry experience, Enerpower powered by Greenvolt is a leading provider of renewable energy solutions through innovation, pushing the boundaries of sustainable self sufficiency for commercial and industrial sectors benefiting future generations.

What services does enerpower offer?

Founded in 2005, Enerpower offers renewable energy services to businesses, from assessment and design to installation and operation of technology such as solar panels, wind turbines, biomass boilers and heat pumps.
