

Ess solar panels Belize

Will Belize Electricity compensate you for excess solar energy?

The hope is that through regulations, Belize Electricity Ltd will have to compensate you for excess solar energy flowing to the grid during the day and off-set it against the electricity you are drawing from the grid at night; however, the reality today is the opposite.

Who is Sun's Electric?

Sun's Electric, with over 18 years experience offers design, installation, monitoring, maintenance, and repair of grid tied and off grid solar PV systems by a licensed electrician. In Belize from a concept to a reality, our solar electrical systems are designed and backed by 18 years of industry experience.

Does solar energy solutions have a warranty?

Thereafter, Solar Energy Solutions Belize will incorporate only those warranties of the manufacturer (s), which accompany the customer's product. Customer may be subject to pay shipping, duty, and import charges, as manufacturer (s) warranties may not cover the aforementioned fees. Can I connect my air conditioner to solar?
