

Ethiopia battery and solar panel kit

The Mighty Mule FM123 is a 10 Watt Solar Panel Kit that is an excellent option for charging the battery in your solar powered gate opener system. This convenient solar panel kit collects energy from the sun and provides a trickle charge of power to keep an automatic gate opener 12V battery or batteries fully charged.

Problem with solar for families is that they are super expensive. In a lot of Ethiopian families now they have simple lamps powered by small solar panel for when there is an outage. Those kind of small devices could be affordable but solar panels for a whole roof with battery and stuff that cost over 20, 30k usd don't make much market.
