

Fake Yingli solar panels

Who manufactures Yingli solar panels?

Yingli is one of the world's largest solar panel manufacturers (NYSE:YGE), and at its peak has been the largest panel supplier. The company produces over 4 GW of solar panels every year. It has grown rapidly over the years and has shipped more than 24 GW of panels to over 100 countries.

Are Yingli solar panels a good choice?

Yingli Solar has modules that range from 315 - 450 watt solar panels, which is a solid range to choose from. Either one of Yingli's residential solar panels will provide enough power to keep your home's electricity running. A solar panel's efficiency rating represents the amount of energy absorbed that will be turned into electricity.

Do Yingli solar panels have a warranty?

With the solar panel's durable glass on glass design, Yingli is able to offer a 25 year product warranty and a 30-year performance warranty. As part of the redevelopment of the Allianz Stadium in Sydney, Yingli's solar panels were selected.

What is Yingli Solar power rating?

The positive power rating for Yingli solar panels is listed at 0/+5 W, meaning that the panels will not produce less than their power rating but they might produce as much as 5 W more than their highest rated wattage. What is the Yingli Solar warranty?

Are Yingli solar panels bifacial?

Yingli's mono series panels are monocrystalline, half-cell panels commonly used for residential solar systems. However, the mono GG series panels have bifacial construction, meaning they can generate power from both sides.
