

What is ESCO airstream ® Gen 3 Class II Biological Safety Cabinet (AC2)?

The Esco Airstream ® Gen 3 Class II Biological Safety Cabinet (AC2) is an effective solution in providing operator, product and environmental protection. It also features stable and self-compensating airflow, despite building voltage fluctuations & filter loading.

What are the features of the AC2 E series?

The AC2- E series has tempered glass sidewall that increases visibility and prevents the operator from experiencing a "boxed-in" feeling. This unit is also equipped with multi-piece, autoclavable work tray for easy cleaning process. Single blower for inflow and downflow, energy-efficient and cost-effective.

Is ESCO responsible for errors in catalogues & brochures?

010259_Biological Safety Cabinet_AC2-TUV_Brochure_vG_A4_110422 Esco can accept no responsibility for possible errors in catalogues, brochures and other printed materials. Esco reserves the right to alter its products and specifications without notice. All trademarks and logotypes in this
