How do I contact Geneverse?

Chat, call or email our team of Geneverse Experts. 1- (800)-210-8665 | support@geneverse.com We set the industry-standard with our return, repair, or replacement policy. Generator is able to operate every item I purchased it for! It opened my garage double door, runs my refrigerator, microwave, toaster oven and 55-inch TV.

One disadvantage of this solar generator is the restricted variety of outcomes. While most various other high-powered solar generators have 6 AC electrical outlets, the Lion Safari ME just has two DC electrical outlets. A 2000-Watt inverter can running a few devices, but it's still less than lots of various other high-powered solar generators.

Please follow these steps. 1. Make sure the solar panel is pointed directly toward the sun. It is preferred to position the solar panel face the south. The solar panel may produce little or no ...
