Giga Solar Materials Corp. principally engaged in the manufacturing and distribution of solar cell materials. The Company mainly provides conductive pastes such as silver conductive pastes, aluminum conductive pastes and ...

Director at Giga Solar – Revolutionizing renewable energy sector globally providing next generation products to the industry. – Experience: Giga Solar – Education: Delhi College of Engineering – Location: Delhi – 500+ connections on LinkedIn. View Anshul Singla's profile on LinkedIn, a

Giga solar Guam

professional community of 1 billion members.

Giga Solar, a 2011-startup based in Portola Valley, Calif., has a pretty simple value proposition: they design and build highly efficient ultra-light-weight mono-crystal solar modules. Mobile Solar is currently evaluating these modules for use in our MS, LT and PK model lines. We spoke with Chief Business Development Officer Sicco Westra.

Giga Solar | 156 ? LinkedIn ????Giga Solar"s mission is to develop innovative products that accelerate the adoption of solar photovoltaic technology worldwide. The company has just launched its website and is producing specialty, lightweight rigid PV modules to order. We are based in the SF Bay area.
