

Greece kaideng energy

Who is kaideng energy?

Kaideng Energy has more than ten core technology patents such as the fourth-generation photovoltaic power generation technology and the second-generation photovoltaic charging, and combines German technology to create products that belong to the Chinese. Products and services are sold all over the world.

Who is Dongguan kaideng?

We have long-term good cooperative relations with customers such as Hivi, OPPO, Panasonic, Sony, Foxconn, TCL, BYD and so on. Dongguan Kaideng Energy Technology Co., Ltd., Experts in Manufacturing and Exporting Micro Inverter, Grid Tie Inverter and 207 more Products.

Who is kaideng?

All products of Kaideng have full autonomy intellectual property and tens of core technology patents. We are one of the technically leading manufacturers of micro-inverter in the world and the first to put forward and apply a number of innovative technologies in the industry.

What is kaideng system?

Kaideng system supports download and use of mobile phones and computers View for our technical documentation, product catalog and software installation Kaideng is committed to using technological innovation and open source technology to create value for the society. Join Kaideng to achieve your dreams

Why should you join kaideng?

Kaideng is committed to using technological innovation and open source technology to create value for the society. Join Kaideng to achieve your dreams Kaideng has strong R&D and production capabilities. Its products mainly include solar inverter series, solar panels, data collectors, and grid-connected solar systems.

What products does kaideng system offer?

Products mainly include solar inverter series, solar panels, data collectors, and grid-connected solar systems Kaideng system supports download and use of mobile phones and computers View for our technical documentation, product catalog and software installation
