Saint-Pierre was a site for settlement by the French in the early 17th century, later abandoned under the Treaty of Utrecht, and returned to France in 1763 at the end of the Seven Years War. As well, the islands became a place of refuge for Acadian deportees from Nova Scotia. Saint-Pierre figures frequently in North American British-French relations.

Saint Pierre & Miquelon, a French overseas territory, is located in the North Atlantic Ocean near Newfoundland, Canada. With a population of just over 6,000 spread largely across two islands, the terrain is rugged and the climate harsh. Telecommunications infrastructure is relatively advanced for the size and remoteness of the territory, with cellular mobile networks and ...
