

GIGA Storage Belgium has chosen a strategic location on the Rotem industrial estate in Dilsen-Stokkem, next to the future high-voltage station of Elia, the operator of the Belgian high-voltage grid. The proximity of the future high-voltage station ensures a short and direct connection of the battery park to the 380kV high-voltage grid, the ...

GreenSun es una empresa peruana fundada en el año 2014 por socios y capitales peruanos, la cual se especializa en la ingeniería, diseño e implementación "llave en mano" de proyectos sostenibles a través del uso de tecnologías eco-amigables de última generación que ofrecen una transformación energética altamente eficiente.
