

How to write a good WeChat post?

Make sure that your post focuses on the essential message, uses images (but no text on the images), and appeals to an audience who scrolls rather than reads (repeat, use emojis, highlight text). Besides, use QR codes linking to your own WeChat account, and share your posts in WeChat groups with your personal profile.

How to design a wechat article?

Keep in mind five key aspects for designing appealing WeChat articles. Make sure that your post focuses on the essential message, uses images (but no text on the images), and appeals to an audience who scrolls rather than reads (repeat, use emojis, highlight text).

Is WeChat a good platform for creating content?

WeChat is actually a very interesting platform for creating content. Over the past two years, I have personally published and tracked over 1,200 WeChat posts for Official Accounts. And while the process has been excruciating at moments, it has been amazing to witness the platform and user behavior evolve during this short period of time.

How to use 135 editor on WeChat?

Using 135, you can format your texts in a number of ways, such as changing text colour and adding background images. In order to use 135 Editor, you have to sign up with your WeChat account. It also features a database, which stores a variety of well-designed templates. Some templates are only available to VIP users.

What is a WeChat text editor?

The two text editors are handy tools to manage the formatting of texts accordingly. These days, the WeChat public account has become an increasingly important channel through which Chinese users obtain daily information. These users often subscribe to a number of accounts.

Can I share a moments post with a group on WeChat?

In WeChat 7.0.5 you now have the option to select an entire WeChat Group to share a Moments post with. Previously you could customize who saw your Moments post by going through all of your contacts and manually selecting contacts one by one, with the option to save a certain selection as a List for future posts. Why is this important :
