

Gshk solar Austria

Why should you choose GSHK Solar panels?

At GSHK, we provide state of the art solar panels, with enhanced technology that surpasses all the rest. This includes multi busbar cell technology, PERC technology in cell architecture resulting in highly efficient panels for your needs.

Who is GSHK Solar?

GSHK Holding and München Energieprodukte GmbH has signed a partnership agreement to better supply the African market. Friday, November 17, 2021 Frankfurt, Germany- München Energieprodukte GmbH announced today that it has agreed to create the photovoltaics ecosystem in Morocco with GSHK Solar. The

What is happening at GSHK Solar?

Groundbreaking ceremony at GSHK Solar (Fully Autonomous Plant running on renewables and storage) May 1st. was the official start of construction of our new production hall in Sidi Bouothmane approx. 1200 square meters, a production facility for Assembled Solar Panels and EVs is being built.

Does Marrakech go green with GSHK Solar?

Marrakech Goes Green with GSHK Solar The Wali of Marrakech Safi M. Karim Kassi Lahlou inspects the fifth generation of GSHK's Mono Solar panels and smart solar bus stations, smart benches, and smart recyclable trash bins. Mr. Naseer Sayed Chairman of Group Solar Hong

Why should you choose GSHK panels?

This high level of quality means GSHK panels are also leaders in avoiding power loss due to degradation (LID, PID). By choosing a quality GSHK panel with quality materials, you can be sure to generate more power and thus earn/save more money thanks to reduced degradation.

Why should you choose GSHK?

The stringent internal processes used by GSHK, such as RBS (GSHK Business System) and RPDM (GSHK Product Development Model), are rigidly followed to ensure that all our panels consistently have the highest quality, wherever they are installed. This repeatable high quality is synonymous with the GSHK brand.
