

The Company is a leading lithium battery solutions and products provider in China, mainly engaged in the R&D, production and sales of lithium batteries. The Company (other than Sunwoda Power and its holding subsidiaries) is principally engaged in the R&D, production and sales of consumer lithium batteries.

The principal business of Sunwoda EVB is the R&D, production and sales of power lithium batteries, and it is not a company that mainly engaged in financial business.

The Company and other enterprises controlled by the Company will not illegally appropriate the funds and assets of Sunwoda EVB in any way,nor require Sunwoda EVB to provide illegal guaranteefor the Company and other enterprises controlled by the Company. 5.

In light of this, the Spin-off of Sunwoda EVB by the Company to be listed on the ChiNext Market will have a positive impact on the interests of the Company's shareholders (especially minority shareholders), creditors and other stakeholders, and is in favour of safeguarding the legitimate rights and interests of shareholders and creditors.

Sunwoda proposes to Spin-off and list its controlling subsidiary Sunwoda EVB on the ChiNext Market of the SZSE. Upon completion of the Spin-off, the shareholding structure of Sunwoda will remain unchanged and the Company will maintain control over Sunwoda EVB.

The organisational structure of Sunwoda EVB is independent from the controlling shareholders and other related parties; each of the Company and Sunwoda EVB has its own well-established functional departments and internal operation and management departments that exercise their powers independently.
