

Guatemala solar panel government scheme apply online

How do I apply for solar panels?

Fill Out the Application Form: Your name, CNIC number, contact information, full address of the property where the solar panels will be put, and the amount of electricity you now use will all be requested on the web form.

Is Guatemala a good place to invest in solar energy?

Guatemala is the second largest Central American power market, with a goal to increase renewable energy use. Relatively high levels of solar irradiance and large areas of cleared land give the country a strong potential for increased solar energy development.

How to qualify for free solar system?

To qualify for the free Solar Scheme Systems, households must meet the following criteria: Electricity Consumption: Up to 500 units per month. Legal Compliance: No involvement in electricity theft or meter tampering. Citizenship: Must be a Pakistani citizen. Identification: Must have a valid CNIC (Computerized National Identity Card).

Why did BMR decide to buy a solar farm in Guatemala?

As part of its evaluation process, BMR determined that the solar farm offered a strong return that was supported by Guatemala's well-established and stable regulatory system. BMR navigated a complex and cooperative sales process that involved four owners across three legal jurisdictions.

Why does the government cover 90% of the cost of solar panels?

By covering 90% of the cost of solar panels, the government ensures that even the poorest households can benefit from renewable energy. This initiative not only helps in reducing electricity costs but also contributes to a greener and more sustainable future.

How many families will receive solar panels?

Phase I: At least 450,000 families will receive solar panels. Notification: Selected families will be informed about their status. Payment: The remaining 10% cost will be paid over five years via the electricity bill. Installation Period: September and October.

Finance Minister Nirmala Sitharaman announced the launch of the "PM Surya Ghar Muft Bijli Yojana" during the 2024-25 budget presentation. This scheme aims to install rooftop solar panels on one crore households across the country, providing up to 300 units of free electricity per month.
