

Hawker energy Turkmenistan

Who is Hawker Power Group Limited?

Hawker Power Group Limited entered the Chinese market in 1996, and its products are recognized in multiple areas. It is located in Hong Kong, China Asia Pacific Center, with agents for domestic users to provide a full range of after-sales service.

Is Hawker a Chinese trademark?

Hawker Power Group Limited legally made "Hawker" Chinese trademark in Hunan Hengyang, Dongguan, Guangdong, respectively, set up factories to set up more than series lead-acid batteries and lithium batteries.

Should Turkmenistan export gas to Russia?

Turkmenistan, however, prefers to remain neutral and maintain positive relations with Moscow, which would be at risk if the country decided to export its gas to Turkey bypassing Russia. Moreover, Russia's plans to divert its trade and gas export routes towards Asian markets potentially offers a prominent role for Turkmenistan.

Is Turkmenistan a neutral country?

Although Turkey and Russia would gladly see Turkmenistan in international organizations under their auspices such as OTS or the Russian-led Collective Security Treaty Organization and Eurasian Economic Union, Turkmenistan has held on to the neutral status stipulated in its constitution.
