Helio Solar installed our solar system and anytime we have the slightest issue, they were immediately responsive. To be clear, the only issues were minor and were fixed asap. They actually spent a few hours and two trips fixing our air conditioning even though it had nothing to do with the solar power!

Helio Energy is an NABCEP-certified provider of solar power solutions serving Massachusetts. Our goal is to make solar energy accessible to all by providing affordable, high-efficiency solar panel systems that give homeowners and ...

Headquartered in Connecticut, Helio Energy Solutions has been growing over the last few years into new markets. Currently we provide solar services in each of the states on the map. If your looking for HVAC or other energy measures we currently provide those services only in Connecticut, Massachusetts, and Weschester County, NY.

Helio Energy Solutions handles all aspects of your renewables project. From paperwork, to project management, construction, and asset management, our team excels in every way. It's not just the work we do, it's the years of excellence in the field that draw clients to us.
