What is kilowatt & infusion power?

The group of companies is basically divided into 4 main divisions. Kilowatt Labs, based in the US holds the patent rights for Sirius Supercap and Centauri Energy Server, the two flagship products of the group, whilst Infusion Power is the manufacturing arm of the group, with its main facility spread across 6.7 acres of land in Dubai.

Are solar lights a problem in Dubai?

While they can be a huge collective burden on the power grid, many recently developed residential communities around Dubai have installed solar-equipped lights. The issue comes into play when you look at the chemical lead acid batteries they're connected to. "The battery starts working at near 100 per cent at the beginning.
