

How long can the Wandelong locker be stored

How long does a locker last?

Maximum storage time is usually 3-4 days. After this limit, the management company will open the locker and confiscate your items, holding them for up to a month. You'll need to pay both the regular locker fees plus a separate storage charge to get your belongings back. Prohibited items in lockers include:

Do coin lockers allow overnight storage in Japan?

In general, most coin lockers in Japan don't allow overnight storage. Coin lockers are something to be used while you are out and about during the day. Some train stations do have a closing time, so if you think you'll be out into the evening (and even if not just in case!) look around for a posted sign that indicates hours.

Are coin lockers a good idea in Japan?

Coin lockers are highly convenient if you want to explore a few hours before you head to your next destination! At coin lockers, you can store your luggage like a suitcase or a backpack. You can expect them at major train stations in Japan, and you may also find them at train stations in smaller tourist towns.

What if coin lockers aren't meeting your needs?

If coin lockers aren't meeting your needs, you have a few backup options: Temporary baggage storage counters: Major stations like Tokyo and Kyoto have manned luggage rooms where you can safely stow bags for the day for around 500-700 yen per piece.

Do train stations in Japan have coin lockers?

You will find that train stations all over Japan have coin lockers. Coin lockers are highly convenient if you want to explore a few hours before you head to your next destination! At coin lockers, you can store your luggage like a suitcase or a backpack.

How much does a coin locker cost in Japan?

The cost of a coin locker in Japan is usually between 400 yen and 700 yen. (That is less than US\$4 to less than US\$7.) It will depend on how big of a locker you get. But I've seen coin lockers at a lot of different stations in Japan, most recently at several train stations in fall 2022, and they do seem to all be the same price.
