Who is IHI terrasun?

Leveraging decades of experience in energy storage integration, IHI Terrasun creates transformative design and service solutions for energy storage projects. We develop power plant software and provide engineering services for the energy storage projects that we integrate into the electric grid.

Why should you choose IHI terrasun?

Trusted lifecycle services for battery energy storage projects. Innovative design, integration, software, and field engineering solutions that advance the renewable energy transition IHI Terrasun maximizes your return on project investment -- now, and for the long-term.

Why did SK On choose IHI terrasun?

SK On has deep battery expertise and experience. They selected IHI Terrasun to provide power plant software and field services because of our team's technical expertise and dedication to project success," said Kenshi Suzuki, president of IHI Terrasun Solutions, headquartered in Chicago, Illinois.

Why should you choose IHI terrasun for battery procurement?

We offer the most flexible options for battery procurement, including our Assured Procurement service. IHI Terrasun is at the forefront of advanced solutions for DC-coupled, collocated, and standalone battery projects.

Who is IHI Corporation?

Our global parent company, IHI Corporation, has been a leader in the industrial sector since 1853. Originally established as Ishikawajima Shipyard, IHI has expanded into multiple industrial sectors over 170+ years, including energy and the environment, industrial systems, aero and space engines, and social infrastructure.

What makes IHI unique?

IHI's long history, global presence, and deep expertise combine to deliver exceptional bankability and support to its subsidiaries and sister companies. All of us work under the corporate message "Realize Your Dreams," which captures IHI's commitment to helping society achieve new levels of technological and social advancement.

CHICAGO, August 19, 2020 (Newswire) - IHI Energy Storage has incorporated as IHI Terrasun Solutions, Inc. (Terrasun), a wholly owned subsidiary of IHI Americas Inc. (IAI). IHI Corporation (IHI ...

At A123 I met Nishio-san, now President of IHI Terrasun Solutions. IHI was both our customer and an investor, until A123 unfortunately went bankrupt. Nishio-san got in touch and asked me to join him in building a new company, focused on grid level energy storage for the North American market. The business was formally started in April 2014 and ...
