Legal Name IntegrateSun, LLC. ... IntegrateSun is a solar energy company that provides residential solar installations, commercial solar, commercial solar system installation, producing the electricity, claim business tax credits, energy and environmental design services.

IntegrateSun uses "on-grid" systems, meaning that they are still connected to the electrical grid. On-grid solar energy systems are necessary to transfer excess power into the grid, which can result in a credit to customers in some states. On-grid systems also keep you connected to the grid for additional power from the utility.

Specialties: We are a Houston based solar installation company offering a green alternative to electricity while saving you money every month. Our specialties include residential rooftop solar, residential ground-mount solar, energy efficiency products, storage and generation solutions (batteries & generators) as well as commercial solar systems. We only use tier one solar ...
