

Jbs energy solutions Kyrgyzstan

I am very happy that I found JBS Energy Solutions. I requested a quote to tint 8 windows in my condo and Brock got back to me promptly, was extremely informative and I quickly booked the appointment. Brock arrived early, walked me through my options, making recommendations, asking me my wants and needs out of my tint.

We're excited to share that Energy N Automation Pakistan (Pvt.) Ltd. (ENA), a JBS company, has partnered with Jazz to revolutionize data centers with cutting-edge precision cooling solutions, powered by Schneider Electric. As our CEO, Veqar Ul Islam, stated: "This agreement demonstrates JBS's ongoing commitment to promoting AI-driven, sustainable solutions."

At the Company, the use of renewable energy represents 80% of the total consumed in its production units, and if only the Brazilian operations are considered, this number rises to 89%. In addition to the efficient use of energy, JBS' focus is on investing in self-production and the use of renewable energy.
